

Abbott Preschool Contract

2006-2007

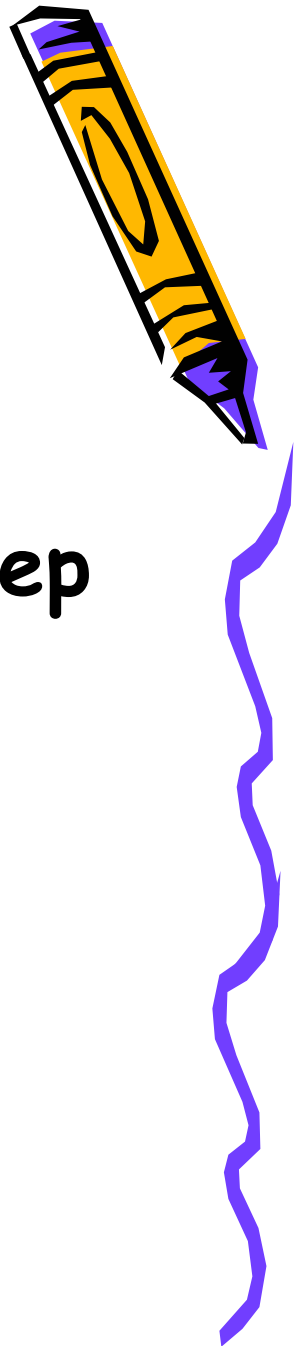

I. Program Components

B. The Provider shall offer a full-day, full-year preschool program to children residing in the District commencing (September 1) **July 1**, 2006 and ending June 30, 2007 which shall include:

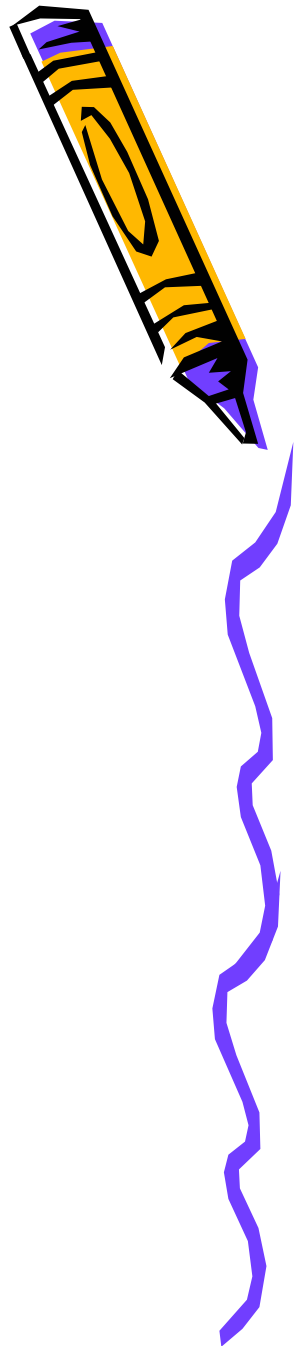

I. Program components

C.4(b) The Family Worker shall keep (all) records of **all** meetings with families **and shall keep those records** confidential.

I. Program Components

C.4(d) The Family Worker shall complete a minimum of three (3) annual visits with each family.

II. Staff Qualifications

A. The Provider must adhere to the following staff qualification requirements pursuant to N.J.A.C. 6A:10A and N.J.A.C. 6A:9:

1. Require teachers hired prior to September 2000 who did not obtain a bachelor's degree and the preschool through grade 3 certificate by September 2004 to have satisfied (hold) DOE approved extensions by September 2006. (that were granted for the 2005-2006 school year)

II. Staff Qualifications

A.2 Require teachers who work for a Head Start agency that began contracting with an Abbott school district for that classroom (after) **between** September 2000 and (up to) **September 2004** (and) who (have not obtained) **did not hold** a preschool through grade 3 certificate (by September 2004) **at the time of contracting** to (hold DOE approved extensions for the 2005-2006 school year.) **complete the degree within four years of the first date of contract for the classroom in which the teacher has continuously taught and to submit application for annual extension to the Abbott school district by May 15 of each year.**

II. Staff Qualifications

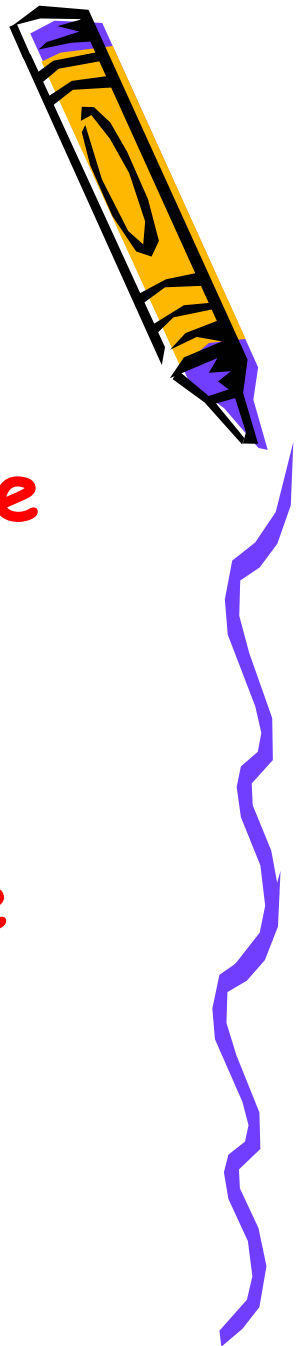

3. The Provider shall require any Newly Hired Teachers to hold a:

(a) preschool through grade three certificate of eligibility, participate in a State approved district training program and obtain a preschool through grade three standard instructional certificate within four years;

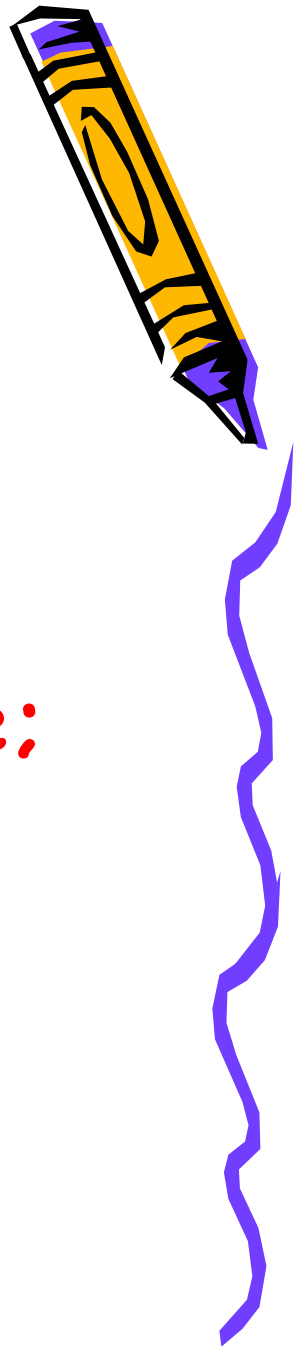

Cont'd.

(b) preschool through grade three certificate of eligibility with advanced standing and obtain a preschool through grade three standard instructional certificate within four years;

Cont'd.

(c) preschool through grade three
standard instructional certificate;

Cont'd.

(d) standard elementary school instructional certificate and the equivalent of two academic years of full-time experience teaching three and four-year olds under the certificate in a position that would require the preschool through grade three endorsement;

Cont'd.

(e) standard New Jersey nursery school instructional certificate; or

(f) preschool through grade three endorsement in addition to other standard instructional certificate, except as indicated at N.J.A.C. 6A:9-11.2 and 11.7.

III. Term of Agreement

- D. In the event of non-renewal of this Agreement pursuant to this Section (C), the Provider shall return to the District all playground materials, **playground (and) equipment both installed and uninstalled**, startup classroom materials, and startup classroom technology, or the monetary equivalent thereof, based upon funding for said items as (originally approved in the Provider's budget(s).) **as approved by the Department.**

V. Termination

E. In the event of termination of this Agreement pursuant to this Section (B), termination of this Agreement pursuant to this Section (C), or termination of this Agreement by mutual agreement pursuant to this Section (D), the Provider shall return to the District all playground materials, playground equipment both installed and uninstalled, startup classroom materials, and startup classroom technology or the monetary equivalent thereof, based upon funding for said items as (originally approved in the Provider's budget(s).) **approved by the Department.**

VI. Compensation

H. . . . The Provider agrees to submit to the District a quarterly expenditure report of actual, approvable, reasonable and customary expenditures signed and certified by the director and officer of the corporation (if the director is not an officer), if incorporated, and understands that the District will recoup any unexpended or misspent funds (**during and at the end of the school year**) based on the quarterly expenditure reports, enrollment records and monthly payments made by the District. (continued on next slide)

Cont'd.

. . . . The quarterly expenditure report shall report actual, approvable, reasonable and customary expenditures for each quarter following the payment and report schedule provided in Section F above and Section H below, for all budget lines in the approved budget for the 2006-2007 school year. The provider shall maintain all supporting documentation and receipts of all expenditures along with the quarterly expenditure report in accordance with District procedures. All supporting documentation and receipts of all expenditures shall be available at all times for submission or inspection to District or Department designees. Based on its review of the quarterly expenditure report, the District shall make prorated adjustments to subsequent monthly payments. (through the end of the contract.)

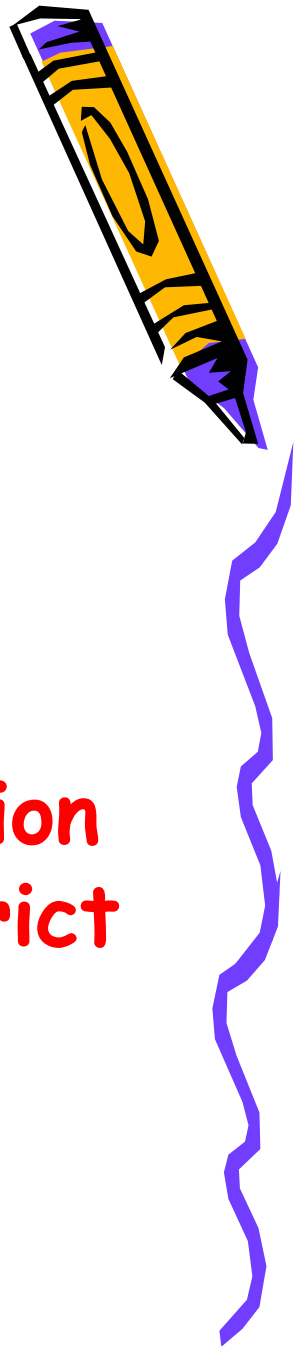

Cont'd.

J. (The District shall establish a minimum reliable score of {insert number} on a classroom observation instrument to be attained and maintained by each Abbott preschool classroom.)

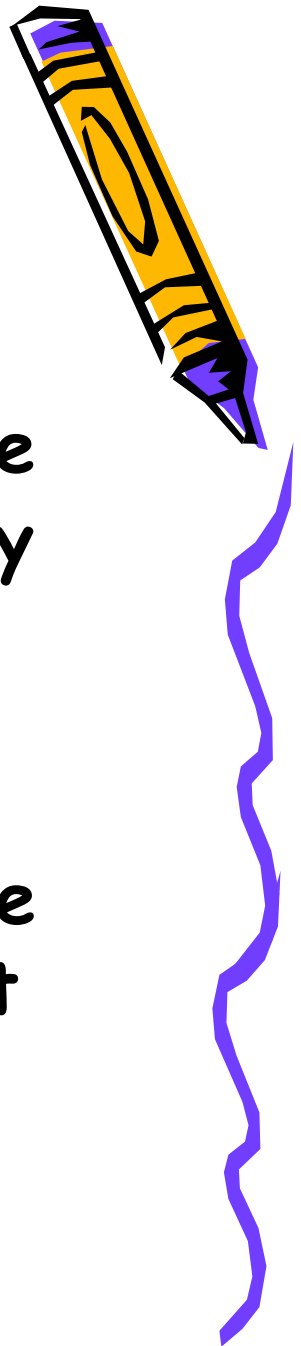

VIII. District/Provider Coordination and Cooperation

J. The Provider shall attain and maintain a district-determined minimum reliable score of {insert number} on a classroom observation instrument that is based on district average scores and historical trends.

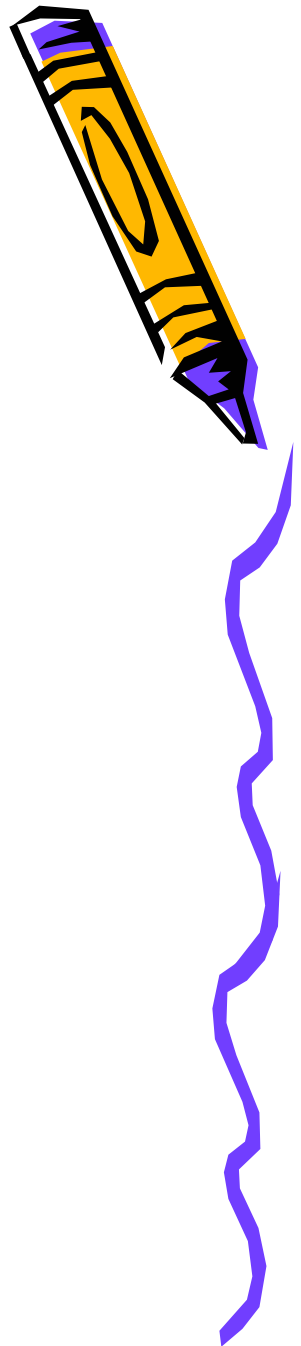

Cont'd.

. . . The following instruments may be used for classroom observation: Early Childhood Environment Rating Scale-Revised (ECERS), Program Quality Assessment (PQA). Other program quality assessment instruments may be used with the approval of the District and the Department.

VIII. District/Provider Coordination and Cooperation

K. **Neither** the District **nor** the **Provider** shall (not) require parents or families to pay any registration or other fees to participate in the six-hour educational preschool program.

VIII. District/Provider Coordination and Cooperation

R. The District shall cooperate with the Provider **and the Provider shall cooperate with the district** to identify the needs of the provider and the children served by the provider.
